Bill Kimmel Contributions Recognized by Chapter Members

At the regular Chapter meeting on September 27th, Bill Kimmel was thanked for his many contributions to the Sun Cities Chapter over many years.

Recently, Bill was our Music Librarian where, if you needed a copy of any of our large collection of sheet music, you could call on Bill to produce it.

We will indeed miss Bill for his support. His wife, Louise, has many, many stories about the origins of the Barbershop Harmony Society starting with original quartets in Tulsa, Oklahoma. Some of this history was shared during the celebration. They indeed will be missed.

President Bill Shaw presents a Certificate of Appreciation to Bill Kimmel with his wife, Louise, looking on.
